	<b>Basic Training Occupational Health and Scientific Research</b> <b>Assignment 2.1.2 (Group work)</b>	
--	---	---

### Learning objectives:

- To be able to find a disease in the three main international lists for OD's and the National list of Turkey and describe the differences between the four lists.

**Instructional Method:** Working in groups ( 5 different groups)

**Suggested time :** 20 min

### Description of the assignment :

*You will be working with 4 or 5 colleagues for this assignment. You will present your subject to other groups either by using a power point presentation or flip chart or even a video.*

*Group A: Carpal tunnel syndrome*

*Group B: Occupational asthma*

*Group C: Post traumatic stress*

*Group D: Bladder cancer*

*Group E: Brucellosis*

*Each group will look for one occupational disease from four occupational diseases lists and explain to the other groups how the chosen disease is described in the four OD's lists given below.*

1. *National List of Turkey for OD's*
2. *EU-list of OD's*
3. *ILO-list of OD's*
4. *ICD-10 and OD's*
